DEPARTMENT OF LAKE COUNTY BUILDING INSPECTION
GERALD C. FLANIK, Chief Building Official

TEMPORARY TENTS, CANOPIES AND MEMBRANE STRUCTURES

PURPOSE

To provide information on plan submittal and other general requirements regarding the use of tents, canopies and membrane structures according to the 2007 Ohio Building Code (OBC).

SCOPE

OBC 3102.1.1 Approval required.

Tents and membrane structures having an area in excess of 200 square feet and canopies in excess of 400 square feet shall not be erected, operated or maintained for any purpose without first receiving plan approval in accordance with the provisions of Chapter 1.

Exceptions:

1. Tents used exclusively for recreational camping purposes.
2. Canopies open on ALL sides which comply with all of the following:
 - 2.1. Individual canopies having a maximum size of 700 square feet.
 - 2.2. The aggregate area of multiple canopies placed side by side with a minimum clearance of less than 12 feet, not exceeding 700 square feet.
 - 2.3. A minimum clearance of 12 feet to all structures and other tents.

Lake County Building Department

Permit Procedures for Tents, Canopies, and Membrane Structures
Page 2 of 3

DEFINITIONS

TENT - A tent is a temporary structure, enclosure or shelter constructed of fabric or pliable material supported by any manner except by air or the contents it protects.

CANOPY - A canopy is a temporary structure, enclosure or shelter constructed of fabric or pliable materials supported by any manner, except by air or the contents it protects, and is open without side walls or drops on 75 percent or more of the perimeter.

MEMBRANCE STRUCTURE - A membrane structure is an air-inflated, air-supported, cable, or frame-covered structure as defined by the Ohio Building Code and not otherwise defined as a tent, canopy or awning.

GUIDELINES

I. Permitting

A building permit from the Lake County Building Department is required prior to the assembly of tents, canopies and temporary membrane structures.

Once a permit has been issued, set up of the structure may begin. The permit must remain on site with the temporary structure at all times until the dismantling of the structure.

II. Plan Submittal Requirements

- A. In order for a building permit to be issued, construction plans must be submitted to the Lake County Building Department for plan review and approval.
- B. The Building Permit will be issued to the General Contractor who is registered with the Lake County Building Department.
- C. A copy of the Zoning Permit from the local zoning department will need to be submitted to the Lake County Building Department.
- D. Plans must also be submitted directly to the local Fire Department with the Lake County Building Department's Fire Department Submittal Form. The local Fire Department will fax their comments to the Lake County Building Department on the Fire Department Submittal Form prior to issuance of a building permit.

Permit Procedures for Tents, Canopies, and Membrane Structures
Page 3 of 3

II. Plan Submittal Requirements - Cont'd

The Submittal Package for a temporary structure(s) must consist of the documents:

1. Completed Commercial Building Permit Application including set up, duration and dismantling dates.
2. Four (4) copies of a detailed drawing of the structure(s), the layout, location, separation from other structures, purpose (e.g., retail use, public assembly).
3. Flammability certification(s) for the fabric/membrane of the temporary structure (See Exhibit A – Item 2).
4. Detailed Plans including the following: (minimum plan size is 8½-x 11-inches)
 - a. Overall site plan showing entire site and locations of all permanent and temporary structures (See Exhibit B).
 - b. Detailed plans to include the following information:
 - Plan view indicating location of furniture (tables, chairs, stages, etc.) or related items (See Exhibit A – Item 1).
 - Uses within all temporary structures (assembly, cooking, etc.).
 - Locations of all fire extinguishers.
 - Locations and dimensions of all required aisles and exits.
 - Locations, sizes and types of any flammable/combustible liquid/gas tanks and piping.
 - Locations and types of any/all heating equipment.
 - Locations and types of all electrical equipment.

III. Plan Approval

- When the plan submittal has been approved, the applicant will be notified.
- The Building Permit will be issued to the General Contractor who is registered with the Lake County Building Department.
- If any additional work is being done (electrical, mechanical, gas piping, etc.) a state licensed contractor who is registered with the Lake County Building Department must obtain a separate permit.
- Once all permits have been issued, and prior to use, the general contractor is to contact the Lake County Building Department for an inspection.

All submittals must include FOUR (4) copies of detailed drawing of the structure(s), the layout, location, separation from other structures, purpose (e.g., retail use, public assembly). Flammability certification(s) for the fabric/membrane of the temporary structure/s. Detailed Plans including the following: (minimum plan size is 8½-x 11-inches) overall site plan showing entire site and locations of all permanent and temporary structures. Plan view indicating location of furniture (tables, chairs, stages, etc.) or related items. Uses within all temporary structures (assembly, cooking, etc.). Locations of all fire extinguishers. Locations and dimensions of all required aisles and exits. Locations, sizes, and types of any flammable/combustible liquid/gas tanks and piping. Locations and types of any/all heating equipment. Locations and types of all electrical equipment.

The proposed work must be done in accordance with approved plans, specifications, codes, and standards. Separate permits which may be required for the proposed project include: electrical, HVAC, gas piping, etc. Plumbing Permits must be obtained from the Lake County General Health District, 33 Mill Street, Painesville Tel: 440-350-2543.

It is the duty of the General Contractor to insure that all required inspections are scheduled and all work installed has been approved by the Lake County Building Department prior to proceeding to the next phase of construction. The General Contractor is responsible to obtain a Final inspection at the completion of the project.

I hereby certify that I have read and examined this application and that all information is true, accurate, and complete. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. I authorize the Lake County Building Department to enter this property for the purpose of site inspections for the duration of this project.

FALSIFICATION OF A PUBLIC DOCUMENT IS A VIOLATION OF THE OHIO REVISED CODE, SECTION 2921.13(A)(5), A MISDEMEANOR OF THE FIRST DEGREE, PUNISHABLE BY UP TO SIX (6) MONTHS IMPRISONMENT AND A FINE OF \$1,000 OR BOTH.
